

PEACE BE STILL

Man has invented many things that allows for the tracking of weather. There are weather satellites, doppler radar, weather balloons, hurricane tracking planes. The technology is there to track and monitor storm fronts, but man does not and never will have the power to still a storm. There is only one who can still a storm and that's **Jesus**. Supporting Text is Mark 4:35-41.

Background: Jesus had spent an entire day teaching a multitude of people by the sea shore of the lake of Galilee. He had grown weary and was ready for rest.

I. **Let us** pass over unto the other side..... Mark 4:35

- _ Good to know that Jesus was talking to **us** and not **them**....
- _ When Jesus is with **us** we can be assured that we will make it to the other side in spite of.....

II. **Sent** away the multitude...Mark 4:36

- _If you are going to follow Jesus you have to send some people away...
