

## Positive Outlook

“Let this mind be in you that was also in Christ Jesus” Phil. 2:5

### **I. Think Positive Thoughts**

“Whatsoever things are of good report....think on these things” Phil. 4:8

\_Some Christians fail to discipline their thinking. They allow negatives to dominate their minds.

We need to think ourselves happy Acts 26:2

\_Christians must take deliberate action, replacing the negatives with the positives. As a man thinketh so is he Prov. 23:7

### **II. Hear Positive Sounds**

“And it was revealed in mine ears by the Lord” Is. 22:14

\_Many people listen to the filth, and smut coming across the radios, televisions, and coffee break gossip. This will prevent our spiritual growth.

\_We must listen for the good and not the bad. We must hear from the Lord and seek his face.  
Sheep hear my voice John 10:3

### **III. See Positive Sights**

“Looking unto Jesus the author and finisher of our faith” Heb. 12:2

\_Some Christians look for the bad in people; seeing only their faults.

\_To be a positive person one must look for the good and look to Jesus.

### **IV. Attend Positive Places**

“I was glad when they said.....Let us go into the house of the Lord” Ps. 122:1

\_Christians hurt their influence when they go to the wrong places in search of entertainment.

\_Be a positive Christian. Attend church faithfully. Forsake not the assembling together of one another Hebrews 10:25
